

## **EVOLUCION MENSUAL DE LA COPARTICIPACION IMPOSITIVA Y COMPARATIVO CON AÑOS ANTERIORES**

El presente análisis expone las coparticipaciones por tributos nacionales y provinciales a los Municipios y Comunas de la Provincia con una periodicidad mensual, efectuando comparativos con iguales períodos de años anteriores.

Para llegar a conocer los valores nominales transferidos se hizo necesario producir la agregación de los importes transferidos automáticamente por el Nuevo Banco de Santa Fe S.A. (coparticipación directa), de aquellos otros cuya entrega se efectúa a través de la Tesorería General de la Provincia (coparticipación indirecta). La fuente de información, en el primer caso, deviene de la Administración Provincial de Impuestos, y en el segundo de la Contaduría General de la Provincia.

Pertenecen al primer grupo los Impuestos al Patrimonio (Inmobiliario) y la Patente sobre Vehículos Automotores. Por su parte, los indirectos son los Impuestos a los Ingresos Brutos y los Federales.

Los valores incluidos en esta serie obedecen a cifras provisionales emanadas de las dos fuentes citadas que pueden tener ajustes durante o al cierre del ejercicio como consecuencia de conocer las cifras definitivas de cada uno de los impuestos coparticipados.

La información se presenta a través de dos esquemas.

El primero muestra las transferencias nominales del mes y de los periodos mensuales transcurridos del año en consideración y su comparativo con igual período de los tres ejercicios anteriores, desagregando por impuesto coparticipado la situación de las municipalidades de primera categoría (Rosario y Santa Fe), las de segunda categoría y las comunas, estos dos últimos agrupamientos por valores totales.

El segundo análisis presenta las transferencias nominales del mes y de los periodos mensuales transcurridos del año en consideración y su comparativo con igual período de los tres ejercicios anteriores, desagregando por impuesto la evolución departamental de las coparticipaciones nominales.
