El Expediente N° 13301-0190810-7 del registro del Sistema de Información de Expedientes; y

CONSIDERANDO QUE:

El Poder Ejecutivo ha propuesto al conjunto de la Nación a través de la carta dirigida a la Señora Presidenta el pasado 23 de marzo, un "PACTO FEDERAL FISCAL CONTRA LA POBREZA EN DEFENSA DEL TRABAJO Y LA PRODUCCION NACIONAL, por ello es necesario tender a un sistema tributario y federal con instrumentos sólidos que impulsen la equidad y la justicia tributaria. Esta propuesta de reformas al sistema tributario para enfrentar la crisis con equidad y federalismo se formuló bajo un enfoque sistémico, potenciando el sistema fiscal federal y las economías regionales. Al mismo tiempo se consideró que las herramientas fiscales son una mejor alternativa para defender la producción, el poder de compra de los trabajadores, las clases medias y el presupuesto público";

En esta misma propuesta a la Nación, el Poder Ejecutivo manifestó que "estamos convencidos de que las políticas de financiamiento del estado, en sus distintos niveles, deben abordarse sin disgregar las políticas tributarias de las vinculadas a la administración del sistema. Adherimos a la opinión del Centro Interamericano de Administraciones Tributarias cuando afirma que, se llegó a la convicción generalizada de que las alteraciones que pueden incorporarse a las legislaciones tributarias solamente son efectivas en la medida de la eficacia con la que actúen los órganos a cargo de la aplicación y control de los tributos. Fortalecer la cooperación entre las administraciones tributarias constituye una valiosa herramienta en materia de cumplimiento voluntario de las obligaciones fiscales de los ciudadanos y de los contribuyentes, y de lucha contra el fraude, la evasión, la elusión y la mora;

La provincia de Santa Fe, tomando como base las mejores prácticas organizacionales del país y del mundo, lleva adelante un importante relevamiento e intervención tributario y territorial sobre sectores estratégicos para la economía de la provincia y del país;

En este orden de ideas, de lo expresado por el Poder Ejecutivo a la Señora Presidenta, el Ministerio de Economía y la Subsecretaría de Ingresos Públicos, en ejercicio de sus facultades de superintendencia de los organismos que conforman la Administración Tributaria y Territorial de la Provincia de Santa Fe, han

ordenado a los mismos poner en práctica en todo aquello que esté en alcance de su competencia, el conjunto de medidas incluidas en el PACTO FEDERAL FISCAL CONTRA LA POBREZA Y EN DEFENSA DEL TRABAJO Y LA PRODUCCIÓN NACIONAL;

En consonancia con lo ordenado, esta Administración Tributaria ha realizado un relevamiento conjuntamente con el Servicio de Catastro e Información Territorial, la Dirección Provincial de Grandes Contribuyentes, la Dirección Provincial de Relaciones Institucionales y Política Fiscal, la Dirección Provincial de Técnica Tributaria y Coordinación Jurídica, la Administración Federal de Ingresos Públicos y el Sistema de Información Nacional Tributario y Social (SINTyS), a efectos de dar cabal cumplimiento a las disposiciones legales vigentes;

El Poder Ejecutivo ha iniciado un proceso de cambio de la Administración Tributaria y Territorial de la provincia para la confección de un mapa tributario provincial que facilite otorgar tratamientos impositivos adecuados de conformidad a la realidad de los distintos sectores económicos y sociales procurando evitar molestias a los ciudadanos y contribuyentes para tener acceso pleno a sus derechos y a los beneficios que le son propios;

A tales fines, resulta aconsejable implementar a través de la página Web de esta Administración Tributaria, la presentación de información de interés fiscal por parte de un universo de contribuyentes, revistiendo la misma el carácter de declaración jurada;

Por Resolución General 08/09 de esta Administración Provincial de Impuestos se estableció un régimen de actualización de datos e información obligatorio de contribuyentes o responsables de los tributos provinciales,

Ha tomado intervención la Dirección General Técnica y Jurídica expidiéndose mediante Informe N° 487/09, obrante a fs. 102;

POR ELLO:
